

## JV Page

Model your pages after these:

<http://mastermindmarketingllc.com/fb-ads-cracked/>

<http://mastermindmarketingllc.com/fbads/>

<http://source-wave.com/source-jv/>

1. Lead in with a strong headline that shows proof or any angle that you are going to lead in with for this launch regarding the affiliate strategy
2. Have a video that shows proof, talks about the product and gives value to the JVs on how you will help them make money or what they need to do to make this a huge promo for them
3. Optin form
4. Launch dates
5. Price / commissions / funnel
6. JV Contest
7. PROOF (extremely important)
8. More info about the product including screenshots / mockups
